Notes

1. Fold the River Rock card stock in half for the card base.
2. Stamp "There's only one you" on the Canvas Creations in the center of the strip. Ink the stamp well and hold to the canvas for a few seconds for the best results.
3. Stamp "Wishing you a day as perfect as you are" centered on the River Rock card inside.
4. Run one or both of the Flash Card 2.0 pieces through the Big Shot in the Needlepoint Border folder of your choice.
5. Adhere the Flash Card 2.0 pieces together and then onto the card base.
6. Adhere the Canvas Creations strip onto the Very Vanilla card stock.
7. Adhere the 5/8" Flower Trim along the top edge of the strips.
8. Clean the stamp and ink just the bottom design (from either stamp) with the Always Artichoke Stampin' Write Marker to stamp the envelope.

Based on Connie Stewart's Flash Cards 2.0

<http://www.youtube.com/watch?v=mGld67CNfeY>

Note: Connie cuts her Light Neutral down to 8" x 10 3/4" and then instead of cutting at 5 1/2" x 2", they are 5 3/8" x 2". I like the idea of keeping the 5 1/2" length so that both pieces can fill the card. The pieces can always be cut down the additional 1/8" later.
