Notes

1. Fold the card stock in half for the card base.
2. Apply 2-Way Glue to one long edge of the scrap paper. Allow to dry.
3. Adhere the scrap paper about 1 1/2" up from the bottom and about 1" from the top.
4. Rub the card stock with the Embossing Buddy. Stamp the larger flower from Secret Garden in VersaMark 2-3 times between the scrap paper. Add White Embossing Powder and use the Heat Tool to emboss.
5. Gently rub Primrose Petals ink over the embossed flowers with the Stamping Sponge.
6. Stamp the small flower 2 times in Raspberry Ripple ink. Remove the scrap paper and stamp one more time above and one time below.
7. Put tape over the greeting you don't want before inking. Remove the tape, then stamp the partial greeting on the bottom right of the card front.
8. Stamp the greeting inside the card.
9. Stamp the small flower in Raspberry Ripple on the inside and envelope if you wish.
