Notes

1. Score the 4" x 4" Whisper White card stock at 2". Fold in half and crease sharply.
2. Stamp Thank You one time in Blackberry Bliss ink near the top right of the card stock with the fold at the top.
3. Using a Stamp-a-ma-jig® (See bevadams.com for homemade version, if needed.) stamp Thank You in Lost Lagoon filling the entire front of the card stock.
4. Optional, stamp the back of the card stock as well. Be sure to turn it over and keep the fold at the top so that the word will still be right side up.
5. Stamp the heart in Blackberry Bliss on the scrap card stock. Punch out with the Itty Bitty Accents Punch Pack. Adhere next to the Blackberry Bliss Thank You.
6. You will want your bag to be 4" wide. If using a plastic bag, push the sides inside the bag to create gussets.
7. Place the folded card stock over the bag and adhere. I used the Stampin' Up!® Handheld Stapler.
8. Wrap the Lost Lagoon ribbon around the card stock over the staples. Tie in a bow.

Done!
