Notes

- Score the Hello Honey card stock at 4", then fold and crease.
- Punch a hole with the 1 ¾" Circle punch in both layers of the Hello Honey card stock and the Designer Series Paper.
 - Place the sticky note aligned with the upper left corner (near the fold) of the Hello Honey card stock and punch with the 1 ¾" Circle punch.
 - Try punching through the front layer to punch a hole in the back layer. If that is hard, use the sticky note again to find the place.
 - Lay the Designer Series Paper over the card front and punch a matching hole.
 - And lastly, use the sticky note to mark about ⅛" inch from the top and left side of the Naturals White card stock. Using Baked Brown Sugar ink, stamp the circle image from Serene Silhouettes centered inside the sticky note hole.
- Stamp the greeting of your choice inside the card with Baked Brown Sugar ink.
- Stamp the flowers on the envelope in Baked Brown Sugar.
- Using the Beautiful Wings Embossliit, cut the tiny butterflies from the Hello Honey, Coastal Cabana, Crisp Cantaloupe, and Pistachio Pudding card stock. If desired, fold the tiny butterflies. Make sure to clean away any stray "hairs." Adhere one or two to the image, if you like. You may want to add one of the larger butterflies to embellish the card front and/or envelope.
- Stack the butterflies on the image and adhere the Treat Cup over the image.
- Wrap the ribbon around a Clear-Mount D block (the long way) and tie a knot. Trim the ribbon ends on the diagonal. Clip straight across the ribbon about 2" from the knot.
- Adhere the ribbon along the side of the Designer Series Paper. Adhere the Designer Series Paper over the card front.
- Adhere the Hello Honey card to the Naturals White card stock.

Items listed in red are on the Retiring List. All retiring stamp sets should be available through May 23rd. Everything else is available only while supplies last. If unavailable, try other color combinations and alternate stamps sets.
