Notes

- Score the Smoky Slate card stock at 4¼". Then fold and crease for the card base.
- Making sure your Stāzon® ink pad is "juicy", stamp the car on the Red Foil. The Stampin' Pierce Mat will be helpful with this large photopolymer stamp. Be careful not to let the stamp slide. Set aside to dry.
 - If you were very careful you could actually stamp the car in the very center of the foil sheet and cut the car out without cutting in from the side. Then you could use the outside in place of the Real Red layer.
- Stamp the car again with the Stāzon® ink near the bottom of the Shimmery White card stock.
- Stamp "Life is a Beautiful Ride" in Real Red ink in the upper left corner.
- Stamp the dog in Chocolate Chip ink in the back window of the car.
- Use the AquaPainter and Chocolate Chip ink to create a road under the car avoiding the hubcap areas. Allow to dry.
- Punch the Basic Gray card stock twice with the ½" Circle punch. Then punch again around the ½" holes with the ¾" Circle punch to make tires. Adhere to the tires of the car.
- Adhere to the Real Red card stock.
- Emboss the 5¼" x 4" Smoky Slate card stock with the Big Shot and the Zig Zag folder. Wrap the ribbon across this layer about 1" from the bottom. Adhere to the card front.
 - You could also emboss the envelope flap.
- Carefully cut out the car and the windows. Cut the wheels off around the wheel wells.
- Adhere the card over the one on the Shimmery White with Stampin' Dimensionals.
