Notes

- Score the Designer Series Paper® at 1½" & 4½"
- Turn and score at 2½" and 3½"
- Crease all the score lines.
- Crease a diagonal line by pushing the perpendicular creased together and pinch.
- You may want to adhere the corners together.
- Fold in the sides and place a magnet in the center of each top edge.
- Adhere at the top with Glue Dots.
- Cut the Dazzling Diamonds with the circle ornament from the Merry Tags Framelits™. At the same time, cut the Copper Foil with the reindeer and tree ornament. Adhere together with Stampin' Dimensionals.
- Twist Copper Thread to make a thicker cord.
 - Fold in fourths.
 - Twist until it starts to twist itself. (About 40 times) (A hand drill with a hook in it makes this job quick an easy!)
 - Fold in half.
 - Tie the ends to keep it twisted.
- Lace the copper cord through the ornament and tie the cord around the middle of the Cherry Cobbler ribbon. Tie the ribbon in a bow. Adhere to the top front of the bag with a Mini Glue Dot.
