## Notes

1. Fill the Treat Tube with candy of your choice and push the cork in snugly.
2. Punch the Whisper White card stock with the 2¼" Circle Punch.
3. Punch the sticky note with the 1¾" Circle punch. (It's easier if you punch 3-4 layers at once.) You will use both the inside and outside circles.
4. Place the outside of the circle sticky note on the Whisper White card stock where you want your moon. Sponge around the edge of the circle with the Crushed Curry ink.
  - a. Owl with the top of the moon near the top of the circle.
  - b. Cat with the moon a little more than halfway off the circle.
5. Place the inside circle over the moon and sponge around the circle with Night of Navy ink.
6. Punch two holes with the ⅛" Handheld punch near the top of the circle.
7. Cut the Chocolate Chip card stock with the branch from the Seasonal Layers Thinlits™. Adhere the branch to the bottom of the Whisper White card stock.

## Owl

8. Stamp the owl in Chocolate Chip ink in the moon.
9. Stamp the beak and feet in Pumpkin Pie ink.
10. Adhere the branch near the feet. Trim to fit the circle.
11. Lace the Baker's Twine into the small holes and tie around the Treat Tube. Place the 3" piece of Basic Black ¾" Shimmer Ribbon over the knot and tie the twine in a bow over the ribbon.

## Cat

12. Adhere the branch to the bottom of the circle. Trim to fit.
13. Lace the 12" Basic Black ¾" Shimmer Ribbon into the holes in the tag. Tie a bow in the back.
14. Punch the cat from the Basic Black card stock. Adhere to the tag as if the cat is sitting on the branch. I used Stampin' Dimensionals.
