Notes

- Score the Very Vanilla card stock at 4¼" and 2⅞". Then fold in a z formation for the card base.
- Adhere the 5¼" x 4" Wisteria Wonder card stock to the 2⅞" section, centered on the card front. I like to put adhesive on one edge of the smaller piece and then put adhesive at the fold of the card base.
- Adhere the Designer Series Paper® to the Wisteria Wonder layer.
- Stamp the greeting in Soft Suede ink on the inside of the card. Stamp the rose just under the greeting in the same color.
- Stamp the bundle of lavender in Soft Suede in the middle of the smaller piece of Very Vanilla card stock. Use the Stampin' Pierce Mat when using photopolymer stamps.
- Stamp the "blob" in Wisteria Wonder ink on the flowers.
- Put the two leaf stamps and the stem stamp in their position on the card. Place the block on top to pick them up. Then ink with Wild Wasabi and stamp.
- Do the same with the leaves on either side of the rose. Stamp them with Wild Wasabi ink as well.
- Stamp the rose in Blushing Bride ink. There is a stamp with two spots. They are for the buds. Stamp the buds in Blushing Bride ink as well.
- Stamp the ribbon on the lavender in Blushing Bride ink.
- Adhere the lavender to the smaller Wisteria Wonder card stock. Add this to the card front with Stampin' Dimensionals.
