Notes

- Score the 8½" x 5½" Very Vanilla card stock at ¼". Then fold and crease for the card base.
- Cut the label and flower cluster from the middle of the Calypso Coral card stock.
- Cut the flower cluster and branch from the Wild Wasabi card stock. I suggest the Precision Base Plate.
- Stamp the bird in Basic Black ink on the 2" x 2" Very Vanilla card stock.
- Stamp Thank You on the ½" strip of Very Vanilla.
- Stamp *Life is so much better with you in it* in Basic Black ink inside the card.
- Stamp the music in Basic Black ink on the 5" x 3¾" piece of Very Vanilla.
- Stamp the leaves in Wild Wasabi ink in the bottom right corner over the music. You may also want to stamp the card inside and the envelope.
- Use the Sponge Dauber to color the bird's body in Calypso Coral ink. Cut it out with the coordinating Framelits™.
- Cut out the greeting with the label shifted slightly to one side. Shift it a bit the other way and cut out a second time. Adhere to the Calypso Coral label cut in step 2.
- Snip off the leaves of the Calypso Coral flower cluster. Adhere over the Wild Wasabi flower cluster.
- Adhere the Calypso Coral card stock to the card front.
- Adhere the Very Vanilla with the music over the Calypso Coral layer, hiding the cut parts.
- Adhere the leaves cut-out over the stamped leaves.
- Adhere the flower cluster to the upper right corner of the card front. Add pearls to the flower centers.
- Adhere the label between the flower cluster and leaves with Stampin' Dimensionals.
- Adhere the bird over the leaves with Stampin' Dimensionals.

Note: I decided to add pearls to the flowers after I took the photo.
