## Notes

1. Score the Crumb Cake card stock at ¼". Then fold and crease for the card base.
2. Color three tiny pearls with the Dark Daffodil Delight Stampin' Blends marker. Set aside to dry.
3. Position the door slider mechanism (blue arrow) centered, but a bit toward the bottom of the 5¼" x 4" Crumb Cake. Cut it with the Big Shot.

4. Stamp the two greetings in Early Espresso ink between the slots with about ¼" separating the words.
5. Emboss this piece in the Pinewood Embossing Folder. This is a "dynamic" folder, so use only one plate.
6. Stamp the barn door in Early Espresso ink on the 2½" x 4" Crumb Cake card stock. Cut out with the rectangle Framelit.
7. Cut the details in the Big Shot
  - a. Square wreath and the connected flowers from the Garden Green card stock.
  - b. Separate flowers from the Berry Burst card stock.
  - c. Top rail (red arrow), door handle, and wheels from the Early Espresso card stock.
8. Place two washers (or coins) under each slot in the embossed piece.
9. Place a Mini Stampin' Dimensional on each washer. Top each washer with a second washer. Put two Mini Glue Dots on each top washer. Slide the left two washer sets to the left side of the mechanism. Adhere the door with Glue Dots, making sure the washers do not show. Slide the remaining washer sets to the

right side of the mechanism. Slide the door to the right and adhere to the right washer sets.

10. Adhere the Foam Adhesive strips above and below each slot, making sure it does not interfere with the washers. Adhere this whole layer to the card front.
11. Adhere the green connected flower piece to the wreath. Adhere the Berry Burst flowers to the connected flowers. Add the Daffodil Delight pearls to the flower centers.
12. Adhere the straight section of the wheels to the top of the door. Adhere the top rail under the wheels. Adhere the door handle and the wreath to the door.
