Notes

1. With the 5" side of the Crumb Cake card stock on top, score at 1¼" and 2½". Then fold and crease for the card base.
2. Adhere the 4¼" x 2¼" Designer Series Paper® to the inside of the card base.
3. Use Tear & Tape Adhesive on the sides of both 1¼" portions to hold the gift card closed.
4. Adhere the 4¼" x 1" Designer Series Paper® to the front portion.
5. Stamp the outline from the Labels to Love set in Early Espresso ink. Stamp the greeting inside in Garden Green, Pear Pizzazz, or Soft Sky ink, depending on the DPS you have. Punch out with the Everyday Label Punch.
6. Punch a hole in the left side of the label with the ⅞" Handheld Circle Punch. Make a Lark's Head Knot* in the hole with the Linen Thread.
7. Tie the Crumb Cake ribbon around the left side of the card holder and make a square knot.**
8. Envelope (6 ⅞" x 6 ⅞") First score at 2⅜".
9. Follow the directions to punch and score on all 4 sides.
10. Round the two corners with smaller triangles.
11. Fold down the small triangles. Trim the point off one large triangle so it fits inside. Fold the other large triangle down and mark where the two triangles meet in the middle. Use the Stampin' Trimmer (or scissors) to cut the corner. Adhere the second corner over the first. Fold up one small corner and adhere.

*Lark's Head Knot: Fold the thread in half. Push the fold into the hole from the front to the back. Pull the ends of the thread through the loop. Then pull the ends to tighten the knot.

** Square Knot: Right over left. Left over right.
