Notes

1. Score the Dapper Denim card stock at 4¼". Then fold and crease for the card base.
2. Stamp the large flower fill, the flower and stem, the upturned flower fill, and the leaf on the 5½" x 4¼" Whisper White card stock with the Stamparatus.
3. Stamp the flower fill stamps in Powder Pink ink and the leaf and stem stamps in Emerald Envy ink. Leave the stamps in place on the Stamparatus.
4. Cut out all four shapes with the coordinating Framelits™. You will need to use the flower and stem Framelit twice. This will be your template for placing the remaining shapes to stamp.
5. Cut 2 more leaves, the lacy upturned flower (You will need two Thinlits), and another large flower from one 5¼" x 4" Whisper White card stock.
6. Cut two lacy large flowers from the Rose Red card stock. You will need to use both the inside and outside Thinlits.
7. Stamp the WhV Cisper White pieces in the Stamparatus using the template made in step 4 for placement.
8. Cut the diamond large background piece from the right side of the Powder Pink card stock. At the same time, emboss the leaves into the card stock with the finer embossing Framelit. This piece doesn't cut.
9. Wrap the 5" ribbon across the top of the Powder Pink piece and secure the ends to the back. Tie a knot in the ribbon with the shorter piece.
10. Adhere the remaining Whisper White piece to the inside of the card.
11. Adhere two leaves to the front of the card and one to the inside.
12. Adhere the lacy flowers to the solid pieces. Adhere one large and one upturned flower to the card front with Stampin' Dimensionals. Adhere the remaining large flower to the inside.
