Notes

- Place the Sahara Sand card stock in the Label Card Thinlits one edge of the card stock next to the smaller section and the other end pulled up through the larger section. Run it through the Big Shot. This will cut the flip section and score the card.
- Fill the spritzer with alcohol to about 1/2" from the top. Add 24 drops of Rose Red ink.
- Cover the middle section with the wax or parchment paper. Slip another piece under the flip section. Place the Artisan Embellishment laser cut over the exposed left side of the card. I cut off one edge of each of the laser cuts and adhered them together. I also sprayed them with acrylic spray paint to preserve them for multiple uses. Lightly spritz the left side of the card and the opposite underneath side. Allow to dry.
- Ink the largest Apothecary Art label with Blushing Bride ink, then color the roses with Blackberry Bliss markers. Stamp this on the Whisper White card stock.
- Cut the Whisper White piece and the Blackberry Bliss card stock with the label from the Thinlits set.
- Adhere the stamped one to the inside of the flip part of the card.
- Decorate the Blackberry Bliss label with half of a doily, the lace, and the ribbon flowers. Add pearls and/or buttons if you like. Adhere this to the front of the flip part of the card.
- Fold another doily over the right portion of the card and adhere.
- Stamp the greeting on the doily in Blackberry Bliss ink.
- Stamp the greeting on the smooth side of the Filter Paper in Blackberry Bliss ink. Adhere the top of the filter paper to the center panel of the card. Add velvet ribbon.
