Notes

- Stamp the Real Red scrap with Silver Encore ink with the ornament in Very Merry Tags.
- Stamp the greeting from Joy to the World in the corner of the Whisper White card stock.
- Cut the card base from Real Red card stock with the Label Card Thinlit. The card will extend past the die. Pull this above the Thinlit and place the top clear plate so that it does not cover the end of the Thinlit.
- Place the ends of the card base into the Petals-a-Plenty folder (one end at a time) and run through the Big Shot.
- Align the Chalk Talk Framelit over the greeting and place the label from the Label Card Thinlit set on the Whisper White card stock. Run through the Big Shot to cut both shapes.
- Use the same label from the Label Card Thinlit set to cut the Silver Glimmer Paper. Punch a hole in the center of the Silver Glimmer label with the 1/2" Circle Punch.
- Punch the Real Red ornament with the Mosaic Punch.
- Adhere the greeting to the bottom right of the card.
- Adhere the Whisper White label to the inside of the flip card. This is where you can add a brief handwritten sentiment and a signature.
- Adhere the Silver Glimmer label to the front of the flip card with Multipurpose liquid glue. Add a Stampin' Dimensionals where you punched the hole. Adhere to ornament to the card over the Stampin' Dimensional.
- Embellish one flower in the upper right with the Chalk Marker.
