Notes

1. Fill the clay molds and allow to dry.
 - a. Tips:
 - i. Freeze the molds and press to cardboard to release.
 - ii. Use Embossing Buddy before pressing clay.
 - iii. Allow to dry overnight.
 - iv. Clay can be colored with re-inkers before molding or with just about any way of coloring after they are fully dry.
2. Fold the Smoky Slate card stock in half for the card base.
3. Cut the next-to-largest shape from the Floral Frames Framelit centered on the scrap paper.
4. Apply 2-Way glue around both parts of the scrap paper. Allow to dry. This makes a temporary adhesive like a sticky strip.
5. Center to Whisper White card stock on the outer part of the Floral Frame. Sponge lightly with the Blushing Bride ink.
6. Stamp the largest stamp from Daydream Medallions right over the Blushing Bride in Smoky Slate ink.
7. Use the same stamp and ink to stamp a strip of Smoky Slate.
8. Cut the strip of Smoky Slate with the same Floral Frames Framelit. Trim down to 1 1/4". This strip can be cut to 1 1/4" before or after stamping and cutting with the Framelit.
9. If you would like some extra sparkle, place the inside of the Floral Frame right over the stamped and sponged image. Sponge with Versa Mark ink. Sprinkle with Iridescent Ice embossing powder. Use the Heat Tool to melt.
10. Stamp the label of your choice from Label Love in Smoky Slate on Whisper White. Punch with the Artisan Label punch.
11. Punch the Silver Glimmer Paper one or more times with the Artisan Label punch. Cut in half and layer under the Whisper White label. Optional: punch other scraps of card stock with the punch and cut in half for multiple layers.
12. Adhere the Whisper White layer to the card base.
13. Adhere the Smoky Slate strip to the Whisper White layer.
14. Adhere the label to the center of the card with Stampin' Dimensionals.
15. Adhere the clay blossoms to the sides of the Smoky Slate strip.
