Perfect Polka Dots Textured Embossing folder, optional		<input checked="" type="checkbox"/> Idea Book	219	\$7.95
Big Shot Die-Cutting Machine, optional		<input checked="" type="checkbox"/> Idea Book	215	\$99.95

Notes

1. Lightly mark the center of the 4" x 12" Bashful Blue cardstock.
2. Score 2" from each end.
3. Score on the diagonal from center mark on both sides. Rotate the paper 180° and repeat. Diagonal lines should be valley folds.
4. Fold vertically where the score lines intersect. Vertical folds should be mountain folds. The Diamond Fold Card is very effective with either side as the front of the card.

5. With On the Grow and Basic Gray Stampin' Pad, stamp flowers on the diagonal onto 2½" square Whisper White.
6. With On the Grow and Rose Red Stampin' Pad, stamp sentiment on the diagonal onto 2½" square Whisper White.
7. Adhere sentiment onto 2¾" Rose Red.
8. Adhere sentiment to center of Bashful Blue.
9. Fold to make card
10. With ink from Stampin' Pads or refills and Aqua Painter, color flowers, leaves, and vase. Also color the shadow with Sahara Sand.
11. Punch 3-4 flowers from Itty Bitty Shapes from Rose Red cardstock. You can texturize the flowers by placing one on a mat and pressing into the center with a pointed (but not sharp) tool. Adhere to some of the flowers.
12. Add pearls to flower centers.
13. Adhere with Snail Adhesive to 2¾" Rose Red.
14. With Scallop Trim Border Punch, punch long edges of 8½" x 3" Whisper White.
15. Loosely wrap Whisper White band around folded Bashful Blue card with end meeting at the center front of the card.
16. Run Wild Wasabi through the Big Shot with the Perfect Polka Dots Textured Embossing Folder, if desired. It will have to be run through 2 times, carefully fitting the texture to match.
17. Adhere Wild Wasabi around Whisper White.
18. Adhere Ribbon around Wild Wasabi.
19. With Sticky Strip, adhere flowers to both ends of the band. Be careful not to tape to Bashful Blue.
20. With Crystal Effects, fill in the vase. **Allow Crystal Effects to dry.** Drying time depends on humidity and thickness. It may take several hours, so be careful how you handle the card!
