Notes

1. Stamp Papillon Potpourri with Basic Black on Daffodil Delight card stock. You may want more than one butterfly. Feel free!
2. Punch out with Elegant Butterfly punch.
3. Wrap the Daffodil Delight ribbons side by side around glass cup and adhere with Glue Dots. Then layer the Basic Black dotted ribbon around the middle.
4. Adhere the butterfly over the seams.
5. Cut a very thin slice of Basic Black for the antennae.
