Notes

- Flash Cards: 1/2 sheet of 8 1/2" x 11" card stock, any configuration
- Colored Layer: 1/8 sheet of 8 1/2" x 11" card stock
- Light Neutral Layer: 1/8 sheet of 8" x 10" card stock. Save 1/2" & 1" strips.

1. Fold the Real Red card stock in half for card base.

- Run through the Big Shot in the Holiday Frame folder with the card edge all the way into the folder (not centered on the card front.)
- Cut one of the Gumball Green pieces so you have a 2 3/4" square and one of the Very Vanilla pieces so you have a 2 1/2" square. Keep the extra pieces.
- Stamp the large image from the Affection Collection onto the Very Vanilla square with Gumball Green ink.
- Lightly sponge around the Very Vanilla square with Gumball Green ink.
- Adhere to the center of the Gumball Green square.
- Cut the long edges of the extra Gumball Green piece with the Scallop Trim border punch trying to make the scallops even on the top and bottom. Trim the edge for a neat end.
- Cut the extra piece of Very Vanilla card stock to about 3/4" to fit into the scalloped green piece. Keep the extra piece. Stamp the smaller image onto 3/4" piece. Trim to fit and adhere onto scalloped green piece. Adhere to the folded edge of the card.
- Stamp Thank You from Teeny Tiny Wishes onto the small piece of Very Vanilla. Punch out with the Modern Label punch. You will need to use a sticky note as a handle.
- Sponge around the greeting piece. Adhere to the center of the Very Vanilla square with Stampin' Dimensionals.
- Adhere the square pieces to the right side of the card with Stampin' Dimensionals.
- Stack the remaining 2 pieces and adhere to the inside of the card. Stamp this, if desired.
