To make this card, you will run it through the Big Shot 4 times. I have done this for you, but I will demonstrate the whole process for you.

- Cut Bashful Blue with Movers and Shapers.
 - Place Bashful Blue on Movers & Shapers base.
 - Run through Movers and Shapers without window to cut base card.
 - Place Modern Label Punch Window in Movers & Shapers base so that center of window is in the center of the opening (about 1 $\frac{1}{2}$ " from end) and against the top of the opening. (I marked my base and window at the center line.
 - Place base on extended cutting plate.
 - Place standard cutting plate on end with edge aligned with center of Modern Label.
 - Run through Big Shot again.
- Score at 2 $\frac{3}{4}$ " from end, avoiding Modern Label window.
- Fold Bashful Blue in half with bone folder.
- Fold back at the score line, right where the Modern Label stopped cutting.
- Place Bashful Blue into Framed Tulips Textured Impressions Embossing Folder. With Platform and standard cutting plates, run both halves through Big Shot, carefully aligning pattern.
- With Sponge Daubers and Bashful Blue, highlight pattern.
- Stamp Whisper White with Teeny Tiny Wishes with Rose Red. With Rose Red, highlight edges. Punch with Modern Label Punch. Punch a second piece with Modern Label Punch. Adhere to front with Stampin' Dimensionals and to inside with Snail Adhesive.
- Stamp Nature Walk with Basic Gray.
- Color with Stampin' Write Markers and Aqua Painter, use Suede, Wild Wasabi, Rose Red, and Bashful Blue to add color to Nature Walk.
