## Notes

The Ghoulish Googlies Designer Kit comes with just about everything you need to make a cute treat. If you buy the bundle, you also get the stamp set and you save just about enough to buy the treats! Instead of the stamp set, I used the Owl Builder punch to feature

1. Punch the Owl pieces using the Owl Builder punch.
  - a. Large circles from More Mustard.
  - b. Body from Basic Gray.
  - c. Vest from Howlstoath & Scaringbone Designer Series Paper.
  - d. Heart from Tangerine Tango.
2. Make the owl parts into stickers.
  - a. Peel back the printed layer of the Multipurpose Adhesive Sheet.
  - b. Lay the owl pieces onto an unused portion of the page.
  - c. Lay the printed layer back over the sheet and rub.
  - d. Lift back up and remove stickers. The piercing tool or tweezers make this job easier.
3. Assemble the owl.
4. Add the googlie eyes.
5. Place the owl on the tag.
6. Wrap the Hershey's Miniatures with the Designer Series Paper and adhere.
7. Thinly slice the wrapping paper or tissue paper, crush, and place in the bag.
8. Add the wrapped candy.
9. Fold over about 1" of the top of the bag.
10. Punch 4 holes.
11. Lace the Bakers Twine through the tag and then through the holes in the bag. Tie a bow.
