### Notes

- Using the largest Framelits die, cut the 5½" X 5½" Naturals White on Tab 2 with cutting blade down.
- Fold the Riding Hood Red cardstock in half.
- Place the second largest heart die just over the fold and cut on Tab 2 with cutting blade down.
- Use the next smaller heart die to cut a 4" x 4" piece of Naturals White.
- Place the top half of the folded Riding Hood Red heart into the heart Adorning Accents embossing folder on Tab 1.
- Using a **thin** line of multipurpose glue and adhere the pleated ribbon to the back of the Riding Hood Red heart.
- Adhere the folded heart to the large white heart with Stampin' Dimensionals.
- Cut the desired letters from the Naturals White cardstock on Tab 1.

9. Lay out your letters backwards on the Plastic Wrap. The plastic wrap will hold the letters in place and you can use the graph paper to line them up. Lift the plastic up to check the other side, just to be sure.
10. Using a tiny bit of multipurpose glue and adhere the lettering to the front.
11. Stamp the greeting on the small white heart.
12. Using the piercing tool and mat pack, pierce the border of the small white heart.
13. Adhere to the Riding Hood Red heart.
14. These will not fit in a standard medium envelope. Stampin' Up! carries a square envelope that these will fit in.
