## Notes

1. Cut the Pear Pizzazz card stock with the Mini Milk Carton Die, using the Premium Crease Pad.
2. Using the Gingham Stampin' Around Wheel and the Pear Pizzazz stamp pad, ink the milk carton about 1/4" up the sides and the top portion. You can use the side of a stamp case for a straight line.
3. Crease all of the scored lines.
4. Use either Sticky Strip or Multi-purpose liquid glue, assemble the carton. Place the end of the Designer Series Paper at the seam and wrap it around the carton. Adhere it in place.
5. Ink the trowel with markers and stamp on the Whisper White card stock. Cut it out with the Framelit. Adhere it to the carton with Stampin' Dimensionals.
6. Place seeds or another little gift into the carton.
7. Wrap the Bakers Twine around the top of the milk carton 3 times. Tie with a bow.
