Notes

1. Cut third largest label Framelit and then next 2 smaller label Framelits from the Designer Series Paper centered a little toward the top. Cut on Tab 2 with cutting blade down. You will use all 4 of these pieces. The rectangle will be the inside liner.
2. Flip the inside liner of the Designer Series Paper to the top inside of the card base. This will help you correctly place the opening for the front hole. Center the fourth largest label Framelit and cut the front hole.
3. Stamp the smallest label from Apothecary Art with Basic Gray on the Naturals White that was removed.
 - a. You can use just the outline of the stamp by coloring with marker and then fading it with Aquapainter. This allows you to change the sentiment.
4. Center the smallest label Framelit over the small label and cut.
5. Center the Edgelit along the bottom of the card front under the hole and cut.
6. Align the embossing folder along the cut edge and run through the Big Shot on Tab 1.
7. Adhere the liner.
8. Stamp inside the card with Basic Gray and the largest Apothecary Art label. Consider using the Stamp-a-ma-jig for proper alignment.
9. Add a sentiment from the Apothecary Art or any other greetings set. Loving Thoughts is perfect, but Petite Pairs or other sets can also be used.
10. Color with Watercolor Wonder Crayons and an Aquapainter brush.
11. Adhere the frame to the front of the card.
12. Place a glue dot 1" from each end of the ribbon. Fold ends to the front. Flip the ribbon over and place a glue dot at each end. Center on the card to help you measure. Fold the ribbon ends over so the glue dots are near the edges of the opening.
13. Adhere a large pearl to the ribbon over the Designer Series Paper frame.
14. Adhere the smallest label from the Designer Series Paper to the back of the ribbon.
15. Adhere the smallest label from the Naturals White on the front of the ribbon.
