Notes

- Using a cardboard shim (from the packing of Designer Series Paper), run the flashing through the Big Shot with the Snow Flurry Die.
- Carefully separate the pieces. Edges may be sharp!
- Punch a small hole in one end of the largest snowflake.
Optional: insert a rivet with the Crop-A-Dile.
- Insert a jump ring into the hole.
- Lace the ribbon through the jump ring.
- Adhere the 3 pieces with hot glue, using the Silicone Craft Sheet.
- Add a pearl in the middle.
