## Notes

1. Fold the Crumb Cake card stock in half.
2. Lightly color (if desired) with Watercolor Pencils on the design on the Natural Composition Specialty Designer Series Paper. Blend with Blender Pen. (It does lighten as it dries.) Adhere it to the outer edge of the card front.
3. Punch the Crumb Cake card stock with the Bird Builder Punch. Lightly sponge the edges of the pieces.
4. Thread the button with the linen thread.
5. Fold the Tulle in half lengthwise. Place it through the linen thread. Tie the Tulle in an overhand knot. Tie the linen thread around the Tulle to hold it tight. Help keep it tight and in place with a glue dot or two. Trim, if needed, and pull open to fluff.
6. Hold the branch on the card over the Tulle with glue dots.
7. Adhere the bird over the branch with Stampin' Dimensionals and add the wing with another Stampin' Dimensional.
8. Add a tiny pearl eye.
9. Stamp the sentiment with Crumb Cake on the front and inside.
