Notes

1. Fold the Creped Filter Paper into fourths. Stack on top of copy paper. Punch as many scalloped circles as you can fit. Divide in half. Pierce in the center. Insert a mini brad.
2. Using Mutli-purpose glue, glue the Crushed Curry 2" x 2" scrap onto the chip board. Cut out your initial with the Typeset die.
3. Squeeze the Daffodil Delight Stamp pad. Rub the creped paper into the ink. Spritz with alcohol. Allow to dry. Use the heat tool on the first setting, if desired.
4. Stamp the label Everything Eleanor with Crushed Curry, placing it about 3 1/2" up from the bottom. Cover with sticky note mat.
5. Stamp the swirl from Everything Eleanor with Daffodil Delight above and below the label. Stamp the same swirl on the smaller strips of card stock.
6. Roll the smallest card stock around the pen cartridge. Insert into the barrel of the pen.

For optional pen holder:

- a. Fold 2 1/2" over on the other 3 5/8" x 11" card stock. Punch 2 small holes 3/4" and 1 1/4" from the fold. Put a ribbon or elastic band into the holes. If using elastic, adhere very well with Sticky Strip.
- b. Cut a 3/4" hole in the flap of the cover over where the small holes.
- c. Fold the remainder of the pen holder strip around the paper pad.

If not making the pen holder:

- a. Fold the remaining small piece of card stock over the top of the paper pad. Crease sharply with the bone folder. Adhere.
7. Place paper pad on the large piece of card stock. Fold over the paper pad. Crease sharply. Adhere.
 8. Crush each layer of the flowers.
 9. Adhere the initial into the center of the label. Adhere the creped paper flowers on the sides of the label.
