

Notes

When cutting paper with parallel patterns, align the pattern with the bottom portion.

1. Cut the Basic Black cardstock is recommended (for any dies with creases). Pre-fold. Trim off the flap. With the hand-held punch, put holes centered at the top of the sides.
2. With the hand-held punch, put holes centered at the ends of the straps.
3. Cut your choice of Designer Series Paper with the Petite Purse Bigz Die and the Premium Crease Pad. Pre-fold. Trim off the tabs.
4. Draw stitching lines around the edge of the Designer Series Paper with black marker.
5. Punch holes near the corners of the bottom portion of the Designer Series Paper. Insert brads. Trim legs of the brads, if needed.
6. Curl the flap portion of the Designer Series Paper.
7. Loosen the slit in the front of the purse.
8. Put just two 1½" pieces of Sticky Strip onto the tabs of the Basic Black purse and adhere.
9. Adhere the strap to the purse with brads.
10. Adhere the Designer Series Paper to the Black purse with glue dots.
