Notes

This color combination can be seen on page 45.

1. Fold the Baja Breeze card stock in half at the score line.
2. Add a subtle embellishment about 1¼" wide and 1" up from the bottom. Try one of these options.
 - a. Cut a piece of Baja Breeze cardstock and adhere.
 - b. Score lines ⅛" apart.
 - c. Cut two 6" x 1½" strips with Large Scallop Edgelits and then emboss with Delicate Designs folder.
3. Stamp the sentiment from Made For You in Midnight Muse on the upper right corner.
4. Stamp Quint-Essentials Flower with Midnight Muse on each of four or five 3" X 3" squares: Summer Starfruit, Whisper White, Primrose Petals, Midnight Muse, and Baja Breeze.
5. Punch flowers with the 5 punches: 1¾" Scallop Circle, 2⅜" Scallop Circle, and the 1", ¾", (and ½") Circle punches.
6. You may choose to slightly curl the punched shapes with a bone folder.
7. Add an In-Color Dahlia in the center of the flower.
8. Wrap your choice of ribbon over the center of your embellishment band.
9. Adhere the band to the card.
10. Layer the punched flowers on the left side of the band and adhere with Stampin' Dimensionals.

This card can also be made by coloring the stamp with the different markers and cut it out or stamping in more than one color on Whisper White card stock and punch out.
