Ceramic Star Ornament	Not a Stampin' Up! product			

Notes

1. Stamp the flat ornament with Versamark pad and the song lyrics from The Sounding Joy stamp set.
2. Cover with Wild Wasabi Embossing Powder and remove extra powder.
3. Use heat gun to set the embossing powder. (It will take quite a while to heat the ceramic ornament.)
4. Allow to cool.
5. Stamp with Versamark pad and the larger words from The Sounding Joy stamp set.
6. Cover with Pewter Embossing Powder and remove extra powder.
7. Use heat gun to set the embossing powder. Allow to cool.
8. Stamp remaining sentiment on the back with Stazon ink.

Take care not to allow the stamp to slide on the slick surface. If you make an error, it is possible to wash off the Versamark ink and powder before embossing using cool water and soap. Dry well before trying again.
