Notes

1. Fold the Naturals White in half for the card base.
2. With the Big Shot and the Hexagon Hive Thinlits Die cut the So Saffron card stock. It will help to place a piece of wax paper on top of the card stock to help it separate from the die. You will have lots of scraps including 11 full hexagons. Keep the full hexagons.
3. Adhere the Hexagon Hive to the front of the card base. Since the edges are thin, a Silicon Craft Sheet will help. I like the 2-Way Glue Pen for this, but any adhesive will work.
4. Stamp Hello Spring! In one uncut hexagon in Old Olive ink.
5. Stamp the bee on one of the cut hexagons in Basic Gray ink. (Note: All hexagons will be aligned point up.) Adhere to the card front.
6. Color the flower So Saffron and the stems and leaves in Old Olive with Stampin' Write Markers. Stamp the Chrysanthemum on the Whisper White scrap. It will be helpful to point the stem to a corner. Punch the flower out with hexagon punch.
7. Adhere the Whisper White hexagon onto the So Saffron scrap. Cut around the shape to leave a border. Adhere to the card front with Stampin' Dimensionals.
8. Randomly adhere hexagons onto the card front.
9. Adhere some hexagons to the inside of the card as desired.
