Notes

1. Wrap the paper around the box. Crease at the edges. Remove the box and reinforce the creases. Adhere with Sticky Strip.
2. Fold the bottom of the box more than half the depth of the box. You can put the box back in, if that's helpful. Trim the bottom at the corners up to the box. Fold the bottom and adhere with Sticky Strip. Remove the box if it's inside.
3. Slightly crease the sides inward. Fold over the top and adhere with Washi Tape.
4. Wrap the ribbon around the top. Tie in a bow.
5. Stamp the tag with the "to from" in Old Olive and the border in Cherry Cobbler.
6. Fold 8" of Bakers' Twine in half. Thread into the hole and lace the ends through the hole. Pull.
7. Tie behind the bow in the ribbon.
