Notes

- Score the Early Espresso Core'dinations card stock at 4 1/4". Mark a 1/4" score at 8 1/2".
- Place the larger portion in the Woodgrain folder to align with the scored line and run through the Big Shot. Sand lightly.
- Finish scoring the fold line and crease both folds.
- Cut the Sticky Note with the 4th (from the largest) Window Frame. Fold in half with the stickiness at the top. Place the fold at the scored mark about 1/4" from the edge. Open the Sticky Note and place the same Window Frame over the note. Cut with the Big Shot. Keep the cut out.
- Rub the cut out portion with the Embossing Buddy. Stamp with the wood background stamp from the set with Gold ink. Emboss with Gold embossing powder.
- Rub the scrap of Early Espresso with the Embossing Buddy and stamp the small tree cut with Gold ink and emboss with Early Espresso embossing powder. Cut this out with the 1 3/8" Circle Punch.
- Stamp the wheat sheaf and the acorn on the Gold Foil sheet with gold ink. Emboss both with Early Espresso powder. Cut out the wheat with the 6th Oval Framelit. "Fussy Cut" the acorn.
- With the card base closed, spread adhesive on the exposed portion. Open the top flap and align the cut out just a bit lower than the hole. Make sure the card will fit in the envelope before sticking.
- Adhere the wheat with Stampin' Dimensionals on the Window Frame.
- Adhere the wood slice at the bottom left corner. With the card closed, adhere the acorn to barely overlap the flap.
- Open the card and adhere the Baked Brown Sugar piece in the center.
- Stamp the greeting on the front of the card with gold ink. Be careful! The ink takes a while to dry. You might want to emboss this as well with gold.
