O = Occasions Mini Catalog

S = Spring Mini Catalog

SAB = Sale-a-Bration Promotion Catalog (1 free item for each \$50 purchased products)

Notes

- Carefully clean the surface of the mailbox tin with rubbing alcohol. Allow to dry. Rub with the Embossing Buddy. Be careful not to touch cleaned surfaces.
- Stamp the end and sides with the large heart from Hearts a Flutter. It's easy for the stamp to slide on the metal. The flat end is easiest and you could just do the one place.
- Dust with Embossing Powder. Tap to release extra powder. You can carefully brush extra off. If you are not happy with the results, you can clean it and start again.
- Heat with the Heat Tool. Allow to cool. The metal does get hot.
- Cut out 2 wavy flags from the Designer Series Paper. Cut a heart from the Designer Series Paper with the smallest Framelit in the Hearts Collection at the same time.
- Adhere to both sides of the tin's flag with Sticky Strip. Cover the arm of the flag with Scallop Dots Ribbon, adhering with Sticky Strip. I rounded the outside end of the ribbon.
- Stamp 4 You on Glossy White card stock with Melon Mambo ink. You could use Versa Mark and Embossing Powder instead. Punch out with Small Heart Punch. Adhere to the flag.
- Adhere the Scallop Dots Ribbon around the front and back of the tin with Sticky Strip.
- Cut the point of the Melon Mambo card stock strip by poking it into the corner of the Tag Punch. C using the side corners as a guide, punch the side of the tag punch on each side of the strip leaving about 1/4" or a little less in the middle. Make a mark in the center as shown. Cut the tail of the arrow with the corner of the tag punch.
- Glue the arrow to the front of the mailbox. I used Multipurpose glue. Adhere the heart over the arrow with a Stampin' Dimensional.
