Notes

Card front

- Score the 5 1/2" x 8 1/2" card stock at 4 1/4" for the card base.
- Cut a thumb hole at the bottom edge of the card base with either the Framelit or the 1" Circle Punch. Cut a hole in the middle of the front of the card base with the 8th Circle Framelit from the largest. We'll use this Framelit several times for this project.
- Emboss the front of the card with the Perfect Polka Dots folder
- Cut the 4" x 4" Whisper White card stock with the next to the largest Starburst Framelit and with the 8th largest Circles Framelit centered inside. Stamp the larger piece with the Starburst without words randomly in Silver ink. Allow to dry. Fold 3" of ribbon and adhere it to the back of this piece. Adhere this piece over the hole in the card front.
- Stamp the piece you cut out with the small Starburst that says Thank you so much. Cut this out with the smallest Starburst. Cut the Midnight Muse card stock with the 8th largest Circle Framelit.
- Cut out the Silver Glimmer paper with 4 of the Framelits... the 4th largest Starburst, and the 3 smallest Circle Framelits, all centered as best as you can. The smallest circle is scrap and you can toss it or use it for a creative addition. Adhere the Starburst frame around hole in the card front.
- Stamp "You make the world a better place" on the 2 1/4" x 2 1/4" Whisper White card stock with Midnight Muse ink. Cut out with the 4th largest Starburst Framelit. Set aside.

Card mechanism (See the photo>)

- Score the 5" x 3 1/2" card stock at 1/2" and 4 1/2".
- Use the Modern Label Punch to cut a track from the middle of both sides of the 5" x 3 1/2" card stock. The edge of the card stock should be where the first bump of the punch ends.
- Slice 1 3/4" strip of the bag. Split at the seam. Wrap loosely around the inside track. Adhere with Sticky Strip at the very ends of the strip. Snip the extra cellophane close to the adhesive. Slide the seam to the bottom of the track. Fold the card stock ends toward the seam. Put Sticky Strip on the tab side of the creases. Put Sticky Strip right on the bottom edge of the Window Sheet and adhere it to the bottom of the track. Place the top of the Window Sheet at the top edge of the card. Adhere the track to the card base now.

11. Make sure the Window sheet is below the top of the card. Adhere the Whisper White rectangle to the top of the cellophane loop with Sticky Strip with the ends of the card stock inside the card.
12. Close the card and stamp the Starburst without words in the center of the hole. Adhere the Glimmer Paper ring around this image and fitted into the hole. Punch a 1/4" hole in the bottom of the card stock. Add the 6" ribbon as a pull.
13. Pull the ribbon until the top of the card stock is not quite revealed through the hole. (You might want to slip in a bit of Sticky Strip to the bottom of the cellophane ring to keep it from moving beyond this point.)
14. Adhere the Midnight Muse circle to the card stock and fitted into the hole. Adhere the Silver Glimmer circle to the center of this. Then add the Real Red stamped Thank You over the center hole.
15. When you pulled the ribbon, the Window Sheet should have gone up. Snip the corners of the Window Sheet. Add the last 3" piece of ribbon, folded, to the back of "You make the world a better place." Adhere this to the top of the Window Sheet (but not beyond it or it won't go back inside the card.)

Final touches

16. Seal the card front to the right edge of the card back with Sticky Strip.
17. Add Rhinestones to the centers of the Starbursts.
18. You can add a note and sign your card on the card stock that is pulled out at the bottom.
