## Notes

- Score the Daffodil Delight at 4 1/4" and crease for the card base.
- Adhere the Whisper White card stock to the Basic Black card stock. Adhere the Back to Black Designer Series Paper to the bottom of the Whisper White.
- Stamp Blended Bloom on the pre-cut pieces from Bev Adams
  - Or Stamp twice on the 5 1/2" x 3" Whisper White.
  - "Fussy Cut" one around the outside and cut the second around the inside row of petals.
- Color with Blendabilities Markers. Slightly curl the flower. I used my bone folder. Adhere the smaller layer on the larger one with Stampin' Dimensionals, matching the design.
- Tie a bow. I tied mine around a bottle of Multipurpose Liquid Glue. Adhere where the Designer Series Paper and Whisper White come together on the right side of the card with one end wrapping to the back and the other adhered to the front. It will be covered by the flower.
- Adhere the flower over the end of the ribbon with Stampin' Dimensionals.
- Stamp "you made my day."
