Notes

1. Select a Blendabilities Marker group. Color a button and the Baker's Twine with the lightest marker in that set. If you want either darker, you can repeat and/or use a darker marker from the set. Allow to dry.
2. Stamp the Blended Bloom in Memento Ink on 3 1/4" x 3 1/4" Whisper White card stock.
3. Color with Blendabilities Markers. Cut out. (I cut them out for you with my Sizzix eClips cutter.) Repeat for layers.
4. Stamp the greeting centered on the left side of the 5 1/4" x 4 1/8" Whisper White card stock using Memento Ink.
5. Draw a line on the 2 long sides with the middle Blendabilities Marker.
6. Slide the short end of the Basic Black card stock all the way into the Tag Topper punch. You will need to coax it to go beyond the usual stop. Center the card stock and punch. Repeat on the other end. Trim the sides to the base of the tag cut. Fold one side near the punch. (I folded it 1/4" from the punch, but I think I like it better right at the punch.)
7. Score 5 1/2" from that fold.
8. Round 2 corners on both the 4 1/8" x 3 3/8" Whisper White and 4" x 3 1/4" coordinating card stock.
9. Emboss the coordinating card stock with the Simply Scored Borders Plate.
10. Adhere the greeting to the inside of the card.
11. Adhere the Whisper White and colored card stock to the card front.
12. Adhere the flower with Stampin' Dimensionals.
13. Thread the Baker's Twine through the button and tie the card closed.
