Notes

- Score the Whisper White card stock at 4¼". Fold in half and crease sharply. This is the card base.
- We want to use about ¼" of the 5" x 3¾" card stock for a border and we also want to use the center for punching flowers. The punch will reach about ⅜". So mask a bit more than ¼" of the edge with a ruler or scrap paper.
- Ink the center of the flower with the Hello Honey marker and stamp along the edge of the ruler. Repeat for 3 or so flowers. Stamp 3-5 more flowers with the whole stamp inked. Clean the stamp and repeat stamping 3 or so Lost Lagoon flower centers and 3-5 with the whole stamp inked.
- Stamp a few more flowers on the envelope.
- Punch the flowers with the coordinating punch from the Itty Bitty Accents punches.
- Using a Stamping Sponge and Hello Honey ink, sponge the edge of the 5" x 3¾" card stock.
- Adhere the Designer Series Paper to the sponged piece and adhere both of these to the card front.
- Stamp the greeting on the inside of the card and on a small label from the Tag a Bag Accessory Kit.
- Cut 12" of the Baker's Twine from the Accessory Kit. Untwist to separate one of the 3 cords. Allow both pieces to twist back.
- Add some glue to the card and loosely loop the thinnest piece of cord on the right side of the card. Glue the flowers randomly over the center of this cord and in a sinuous line down the card.
- Adhere the small label to the larger one. Add a clip. Adhere both labels to the left side of the card.

Done!
