Notes

1. Make Toilet Bombs using the recipe on the next page. Go to <http://www.mariasself.com/2013/08/diy-toilet-bombs-deodorize-kill.html> for more complete directions.
2. Print the next page with the recipe for the Toilet Bombs and the front label and cut to size (1 3/4" x 2"). (I'm assuming it's easiest to print on a full sheet of card stock. Use the remaining card stock for stamping.)
3. Slide the top of the front label into the Scallop Tag Topper punch. Slide it down until the top of the card stock is below the center scallop. Center it as best you can and punch.
4. Punch the 2" wide Tangelo Twist card stock with the Scallop Tag Topper punch.
5. Trim all square corners on the labels with the Project Life Corner punch.
- 6.
7. Cut the square Tangelo Twist card stock to fit inside the lid of the canning jar. You will use the 2 1/2" punch for standard canning jars. For wide-mouth jars, use the 4th largest (3 3/16") Framelit from the Circles Collection Framelits.
8. Place the card stock circle on the lid.
9. Stamp Bloom for You one time on Whisper White card stock with Daffodil Delight and three times with Tangerine Tango.
10. Punch the Daffodil Delight flower center with the 7/8" Scallop Circle punch.
11. Punch the three Tangerine Tango flowers with the Fun Flower punch.
12. Place the flowers on the Stampin' Pierce Mat. With the back end of the Paper Piercing Tool, rub the back of the flower petals in a circular motion. Turn each flower over and rub the flower centers. Repeat with the back of the flower center.
13. Adhere the flowers in the center of the jar lid, alternating the petals.
14. Stack three Stampin' Dimensionals® in the center of the flower. Adhere the flower center on the stack.
15. Fold the Baker's Twine in half. Push the center loop through the tag. Pull the twine ends through the loop and pull. Wrap each end of the twine around the jar in opposite directions. Tie in a bow. Trim the ends.
