Notes

- Score the card stock at 4 1/4", fold and crease for the card base.
- Stamp the inside of the card with the large snowflake with Whisper White Craft Ink. Allow to dry.
- Cut the Trim the Tree Designer Series Paper.
 - Lay out the colors to alternate basic colors.
 - Cut the pieces diagonally. It will work best if you cut the diagonals the same direction.
 - Turn the triangles with the square corners together.

- Mark the 4 3/4" x 1" Whisper White card stock at the middle of the long sides.
- Spread the Stampin' Glue Sticks over the piece.
- Arrange the triangles, starting at the centers. It's not essential to match the points exactly, but consider how wide you want the center points. Be sure to have the top corners of the white card stock covered.
- Adhere the starburst to the Early Espresso card stock.
- Adhere the Cherry Cobbler card stock to the bottom.
- Wrap the Baker's Twine around this piece 3 times, tying a bow, if desired.
- Cut the Vellum with the *snowflake* Thinlits and the Whisper White card stock with *joy*. Use wax paper between the Thinlits and the paper and Vellum. Place a piece of scrap paper under the Vellum.
- Stamp *Season's Greetings* in Cherry Cobbler over the white snowflake inside the card.
- Adhere the Vellum snowflakes to the front of the card. I used Glue Dots. Add a pearl to the center.
- Adhere *joy* to the front of the card. I used Liquid Multipurpose glue.
