Notes

- Score the Night of Navy card stock at 1/2", 1", 4 1/2", 5", 5 1/2", 6", 6 1/2", 10", and 10 1/2". Fold as shown and crease for the card base.

- Using the 3rd largest Square Framelit, cut a hole in the front panel of the card base.
- Fill the Spritzer with alcohol to about 1/2" from the top. Add about 10 drops of Night of Navy refill ink and shake. Spritz the 3 1/2" x 4" piece of Dazzling Diamonds Glimmer Paper. Allow to dry thoroughly.
- Stamp the three houses from Holiday Home with the Memento black ink. Color the houses with Stampin' Blendabilities® markers. Cut out with the Homemade Holiday Framelits. Add Dazzling Details to the roof and window eaves, if desired. Set aside to dry. (This may also be done after the card is assembled.)
- Stamp the Santa and reindeer with Memento Ink on the So Saffron card stock. Punch out with the 2" Circle punch. Sponge the edges with So Saffron ink. Using a toothpick, place a tiny do of Cherry Cobbler Dazzling Details on the front reindeer's nose.
- Adhere two pennies on the bottom of the circle, leaving about 1/4" between them. Use at least three Glue Dots on each penny.
- Punch the dyed Glimmer Paper with the 1/2" Circle Punch in the center of the 3 1/2" side as far down as possible.
- Place a Stampin' Dimensionals® in the center of a penny, leaving the pealy on it. Position the Stampin' Dimensionals® through the hole in the dyed Glimmer Paper. Add another penny. Using Glue Dots, adhere the top of the So Saffron circle with the penny at the top.
- Cut a slightly wavy line through the middle of the 1 1/4" x 3 1/2" Dazzling Diamonds Glimmer Paper.
- Stack two Stampin' Dimensionals® on the back of the middle size house near the top and again at the bottom. Adhere this house on the left side of the dyed Glimmer Paper.
- Stacked two Stampin' Dimensionals® on the right side of a curvy Glimmer Paper strip. Adhere this over the house. I used Multi-Purpose Liquid Glue to glue the left side to the house.
- Using three stacked Stampin' Dimensionals® at the top of the tallest house and one on the bottom, adhere the house to

- the very right side. (Keep Stampin' Dimensionals® to the sides to avoid interference with the moon's movement.)
13. Adhere the remaining house with a narrow piece of Stampin' Dimensionals® on the very bottom.
 14. Add the other curvy strip of Glimmer Paper in front of these two houses. I used Multi-Purpose Liquid Glue.
 15. Add adhesive to the center and ends of the card base. Fold in half and adhere.
 16. Cut the Glimmer Paper frame with the 2nd and 3rd largest Square Framelits. Adhere the frame with Multi-Purpose Liquid Glue.
 17. Stamp merry Christmas on the ¼" wide strip. Flag the ends. Adhere to the front of the card.
 18. Adhere the strips of Trim the Tree Designer Series Paper to the sides.
