Notes

1. Score the Baked Brown Sugar card stock at 4¼", fold and crease for the card base.
2. Cut the long edge of the Designer Series Paper with the Scallop Edge Border punch. The scallops are not exactly the same size, so it won't match all the way.
3. Sponge with Sponge Dauber and Baked Brown Sugar ink.
4. Temporarily place the Designer Series Paper on the card front. Cut both layers with the larger feather Framelit.
5. Remove Designer Series Paper, then emboss the card front with the Fancy Fan folder.
6. Adhere the Designer Series Paper to the card front, matching the feather cut-out.
7. Stamp the images on the smoother side (1/2 of the 6" length) of the filter paper. They will fit if you place the smaller feather in the corner and then the larger one at a diagonal. Apply Snail Adhesive® to the back of the image on the filter paper. Place a bit of Linen Thread along the spine of the feather. Fold the filter paper over the adhesive. Cut both feathers with the Framelits. Adhere the feathers to the card front with Stampin' Dimensionals®.
8. Tie a small bow with the remaining Linen Thread and adhere to the top of the feathers with a rolled Glue Dot.
9. Using the Stamp-a-ma-jig®, align the larger feather image under the opening then stamp with Baked Brown Sugar ink.
10. Stamp greeting of your choice inside the card.
