## Notes

- Prepare the box bottom.
  - Place the Whisper White card stock on the catalog and align the long edge of the ruler with the edge of the card stock.
  - While holding the ruler in one place, drag your scoring tool along the other edge of the ruler.
  - Repeat on all four sides.
  - Crease all the score lines crisply.
  - On the long sides, cut from the edge to the first score line as shown in red. Snip a narrow triangle from the corner squares as shown.
  - Adhere with a strong adhesive such as Fast Fuse, Multipurpose Liquid Glue, or Sticky Strip. The adhesive should be on the corner squares (tabs) right up to the score lines.
  - Fold the tabs behind the box sides and line up the score line of the tab with the edge of the box side.

- Prepare the box top.
  - Repeat with the Moonlight Designer Series Paper. I chose the one with soft large dots.
  - Note: Because the the Designer Series Paper is a bit larger than Whisper White card stock, the box top should slide over the bottom easily.
- Apply the Coastal Cabana tape across the box top in a cross pattern, crossing near the short edge.
- Stamp the greetings on two small tags. I chose Coastal Cabana and Basic Gray.
- Crease the top tag across the bump on the Coastal Cabana tag to make a folding flap.
- Adhere the Coastal Cabana tag over the Basic Gray tag.
- Adhere both tags to the larger tag. I chose Hello Honey.
- Add 8" of the thick Baker's Twine to the large tag.
- Adhere the tags to the box top with Stampin' Dimensionals®.
