Notes

1. Cut the Basic Black card stock with the Mini Treat Bag Thinlits™ Die.
2. Stamp "You brighten my day" on the scrap of Basic Black card stock in Silver Encore ink. You can curve the stamp on the block a bit extra if using a clear stamp. Stamp the lightbulb right under the greeting. Punch out with the 1 3/8" Circle punch.
3. Cut the Red Glimmer Paper with the bow from the Thinlits and the 8th largest (third smallest) Circle Thinlit.
4. Punch the Silver Glimmer paper with the Note Tag punch.
5. Optional: Cut a star with the star strip Thinlit or with the Itty Bitty Punch Pack star.
6. Adhere the red glimmer circle and the bow to the Note Tag with Glue Dots.
7. Adhere the Basic Black circle to the red glimmer circle with Stampin' Dimensionals®.
8. Adhere the smaller piece of the Mini Treat Bag card stock to the larger piece with Fast Fuse or Sticky Strip.
9. Cut the row of stars from the Thinlits about 1" from the top of the large section. You may need to run it through twice to cut the overlapped section.
10. Place this piece with the large panel in the Lucky Stars folder to emboss. Emboss the sides with the edge of the folder at the score lines.
11. Adhere the Silver Glimmer Paper strip behind the row of stars. I used standard tape, but you could use Glue Dots or liquid glue.
12. Adhere the bag in the back and then adhere the bottom flap with Fast Fuse or Sticky Strip.
13. Adhere the tag to the front of the bag with Stampin' Dimensionals®.
14. Adhere the optional star over an embossed star, if desired.
