Notes

- Score the card stock at 4 1/4", then fold and crease for the card base.
- Stamp *may all your dreams come true. Happy Wedding Day!* on the large Whisper White card stock in Gold Metallic Encore ink. Adhere to the inside of the card.
- Using the Striped Scallop Thinlit, cut the Gold Foil in the Big Shot. It will help to use wax paper between the Thinlit and the Foil. Repeat with the second piece of Gold Foil.
- Trim 1 scallop row off the long side of each piece. Retain the trimmed pieces.

- Use the Transfer Adhesive Sheet to add adhesive to the back of the Foil.
- Place one gold striped scallop piece with the rounded side against the fold at the top of the card front and adhere.
- Turn the other gold striped scallop piece 180° with the rounded side on the bottom of the card front. The pattern should align so you have circles intersecting.
- Trim one end of the ribbon to flagged points. Adhere the ribbon with the flat end starting on the right of the inside, across, and have the remaining 3 1/2" fold over the left side of the card front.
- Stamp *happy together* on the small Whisper White card stock in Gold Metallic Encore ink. Flag the end. Adhere over the ribbon.
- Use the Transfer Adhesive Sheet to add adhesive to the back of one trimmed row of foil scallops. Adhere over the ribbon.
- Trim off two sets of two scallops from the other foil scallop strip. Adhere these to the Whisper White card stock to form two rings.
