***Homemade Shim:** 6" x 6" thick card stock from Glimmer Paper backing (or similar) glued to 6" x 6" Designer Series Paper backing. You may need to experiment with thicknesses for your own Big Shot.

Notes

- Score the card stock at 4¼", then fold and crease for the card base.
- Punch the Whisper White card stock strip with the Dotted Scallop Ribbon Border punch.
- Stamp the inside and envelope with the smaller flower image in Strawberry Slush ink.
- Cut the center of the Strawberry Slush card stock with the next to the largest Deco Label Framelit. Keep the Deco Label piece. Adhere the outside piece to the card front.
- Use the brayer to ink the background side of the Spring Flowers folder (the inside of the half printed with Stampin' Up!® and Sizzix) with Crisp Cantaloupe ink. Place the smaller Crisp Cantaloupe card stock inside and run through the Big Shot. Adhere the Dotted Scallop Ribbon strip behind the bottom of this layer. Adhere to the card front over the Strawberry Slush layer.
- Use the third largest Deco Label Framelit to emboss the label from step 2. Stack as follows and run through the Big Shot.
 - Stack from **top to bottom:**
 - Clear Plate (cut up one)
 - Framelit or Thinlit, blade **up**.
 - Card stock
 - Silicone pad
 - Homemade shim
 - Platform, Tab 2 (no second clear plate)
- Sponge the edges of the embossed Deco Label and adhere to the card front with Stampin' Dimensionals®.
- Stamp the image (I used Hello Darling) on the Whisper White card stock in Strawberry Slush ink. Cut out with the smallest Deco Label Framelit. Adhere to the card front.
- Dot with Dazzling Details. Allow to dry.

Items listed in red are on the Retiring List. All retiring stamp sets should be available through May 23rd. Everything else is available only while supplies last. If unavailable, try other color combinations and alternate stamps sets.
