## Notes

I CASE'd this card pretty closely from a card I saw on Pinterest. I have the link for that card below.

1. Score the Very Vanilla card stock at 4 1/4", then fold and crease for the card base.
2. Emboss the Rich Razzleberry card stock with the Boho Chic Textured Impressions Embossing Folder. Adhere to the card front.
3. Stamp the greeting on the Very Vanilla scrap with Delightful Dijon ink. Cut out with the Project Life™ Cards & Labels Framelits™.
4. Cut the Bohemian Designer Series Paper along the printed strips. Trim to 4 pointed sections along the diagonal printed pattern. One of the colors should be at the end of all four pieces.
5. Adhere the Designer Series Paper sections with the same color near each other on the bottom of the first two sections and at the top of the next two sections.
6. Add the greeting, adhering with Stampin' Dimensionals.
7. Add Candy Dots, if desired.
8. Optional: Add a bit of the Designer Series Paper to the envelope.
