Notes

- Score the 2" x 6½" Delightful Dijon card stock at 1½", 1⅞, 3⅞", 4¼", and finally at 4⅝" just between ½" and 1½". Crease all score lines except the last one as "mountain folds." Pop that center section to a valley fold.
- Stamp the typewriter on the Smoky Slate card stock with Memento ink. (Only the keys and top of the typewriter will show.)
- Cut the 2¾" x 4¼" piece of Delightful Dijon with the largest (#1) Tags & Labels Framelits™. At the same time, cut the Basic Black card stock with the #3 Framelit™ and the Smoky Slate with the #2 Framelit™. (I forgot to cut the Slate at this time on the video and had to make a third pass through the Big Shot.)
- Cut the Delightful Dijon again with the largest (#1) Tags & Labels Framelit™. At the same time, cut the Basic Black card stock again with the #2 Framelit™.
- Align the Updated Essentials Paper Piercing template with the Basic Black cut out and pierce the border. Stamp your greeting in Whisper White Craft ink in the center.
- Adhere the sticky notes to the middle large panel with the spine toward the valley fold section.
- Adhere the other Delightful Dijon tag on the bottom.
- Adhere one magnet to the bottom flap. Glue Dots, Fast Fuse, or Tear & Tape Adhesive will all work.
- Adhere the pierced tag over the magnet with strong adhesive.
- Close the flap and place some strong adhesive over the magnet. Place the second magnet on the strong adhesive, making sure the magnetic poles are aligned.
- Adhere a Delightful Dijon tag over the magnet with strong adhesive.
- Adhere the Basic Black frame to the Smoky Slate piece.
- Adhere the framed typewriter on top with Stampin' Dimensionals.
- Slip the mini pen into the top.
