Notes

- Score the Thick Whisper White card stock at 4¼", then fold and crease for the card base.
- Adhere the large piece of Always Artichoke card stock to the card front.
- Adhere the Neutrals Designer Series Paper to the left side of the green.
- Mark the top of the Always Artichoke at 2". Trim from the bottom corners to the mark to form a triangle tree.
 - If making multiples, cut card stock 4" x 11".
 - Mark one long edge at 3", 6", and 9"
 - Mark the other long edge at 1½", 4½", 7½", and 10½".
 - Cut with the marks at the groove on the cutter. You can make 12 trees from one full sheet.
- Place in the Elegant Dots embossing folder and run it through the Big Shot. (If no Big Shot, you can ink the folder and "stamp" the design on the paper.)
- Wrap the gold thread around the tree. You can run some adhesive along the back to make this easier.
- Adhere 10-12 sequins over the thread and glue with the Fine-Tip Glue Pen.
- Punch the Gold Glimmer Paper with the 2¾" Scallop Circle punch. Adhere this to the top of the card, centered on the gold Designer Series Paper®. Adhere this behind the tree with a Stampin' Dimensional.
- Punch the Gold Foil paper (or from the center of the doily) with the star from the Itty Bitty Accents Punch Pack.
- Cut the gold doily in half. Adhere this behind the Glimmer Scallop with adhesive of your choice.
- Adhere the tree assembly to the card with Stampin' Dimensionals.
- Stamp the greeting from *And Many More* (or *Teeny Tiny Wishes*) on a scrap of Whisper White card stock in Always Artichoke ink. Punch out with the Washi Label punch. You could also use "Rejoicing" or "'Tis the season" from Versatile Christmas.
- Stamp a greeting from Versatile Christmas inside the card, if desired, with Always Artichoke ink.
