Notes

- Score the Pool Party card stock at 4¼", then fold and crease for the card base.
- Use the Embossing Buddy on the card front and inside.
- Stamp the snowflake using VersaMark™ in the top left corner of the card base.
 - Option 1 Silver
 - Sprinkle with silver embossing powder, remove the extra, and heat with the Heat Tool.
 - Option 2 Glitter
 - Sprinkle with Heat & Stick powder, remove the extra, and heat with the Heat Tool.
 - Sprinkle with Silver Stampin' Glitter, remove extra, and heat again.
- Stamp the inside greeting with VersaMark™.
- Sprinkle with silver embossing powder, remove the extra, and heat with the Heat Tool.
- Place the Christmas greeting of your choice from the Christmas Greetings Thinlits™ on the right side of the Silver Foil sheet and run through the Big Shot. I suggest using the Precision Base Plate, if possible. Keep both pieces.
- Place the rectangle of Silver Foil in the Stylish Stripes folder and run through the Big Shot.
- Tie the Pool Party ribbon around the D Block and tie in a bow.
- Clip the ribbon about 2" from the bow. Adhere around the Silver layer.
- Adhere the embossed Silver layer to the bottom of the card.
- Adhere the greeting cut out slightly above and to the left of the cut section with the Fine-Tip Glue Pen.
- Add a Winter Wonderland embellishment to the center of the snowflake.
