Notes

- Score the Crumb Cake card stock at 4¼", then fold and crease for the card base.
- Stamp the branch outline in Early Espresso ink about 1" from the bottom of the 5¼" x 4" Crumb Cake card stock.
- Stamp the more solid branch in Early Espresso, stamping off firsts.
- Stamp the bird outline so it's standing on the branch in Early Espresso ink.
- Stamp the more solid bird in Hello Honey ink.
- Stamp the breast color in Pumpkin Pie ink. Match the eye.
- Stamp the beak in Pumpkin Pie ink.
- Stamp the berries on the branch. (Be careful about the portion that shows the top. It's easy to ink your paper with that section.)
- Stamp the greeting from Watercolor Wishes in Early Espresso ink.
- Run this layer through the Big Shot with the Boughs and Berries Textured Impressions Embossing Folder, centering the image in the design.
- Adhere the stamped layer on the Early Espresso layer with Stampin' Dimensionals. Since it's such a thin border, bend the stamped layer slightly to align the center, then lay the sides down.
- Tie a knot around the left side of these layers.
- Adhere the layers to the card base.
